

Fast Track Your
Hires With

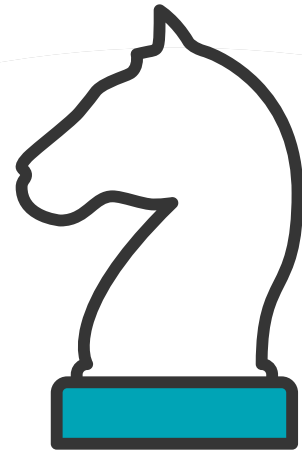

CENTRAL

TEAMS

Our Central Teams are fundamental to how we generate success for our clients.

Think of them as your behind-the-scenes concierge teams, ready to provide your candidates and internal employees with white-glove service throughout every step of the recruitment process.

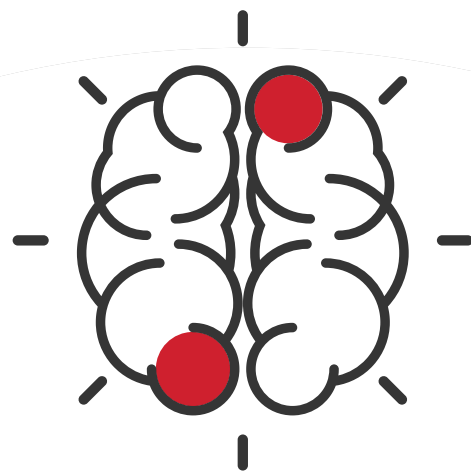

WHAT IS A CENTRAL TEAM?

A Central Team is a group of people who oversee a specific part of the recruitment process.

WHY ARE CENTRAL TEAMS IMPORTANT?

Centralizing core functions within the recruitment process allows us to standardize processes, increase efficiencies, and reduce time to hire for our associates and clients!

YOU'RE PROBABLY ASKING:
WHAT'S IN IT FOR ME?

Our Central Teams do nearly everything remotely, providing you with a competitive advantage in quickly filling your open positions. We can take your candidates from interest to hired without them ever having to visit a local branch!

A woman with dark, curly hair, wearing a white button-down shirt, is sitting at a desk in an office. She is looking off to the side with a thoughtful expression. The background is a bright, modern office space with a decorative wall featuring a zigzag pattern and a potted plant.

PERKS OF

CENTRALIZATION

5 Ways You Benefit from Our Central Teams

1

YOU CAN SCALE QUICKLY

Adding a new location or increasing headcounts?

Our remote Central Teams are always on standby to attract, nurture, interview, and onboard candidates—without having to expand your internal recruitment teams!

2

YOU GET PROCESS STANDARDIZATION

Inconsistent recruitment processes across sites can impact the quality of your hires.

Our Central Teams keep your recruitment processes strong and consistent across locations, generating top-notch talent for your positions.

3

YOU ACHIEVE OPERATIONAL EFFICIENCIES

Each of our Central Teams have a singular focus, making them experts in their area!

Staying focused on one task helps increase productivity and allows us to move candidates through the process quickly.

4

YOU EXPERIENCE STREAMLINED WORKFLOWS

Our **Opportunity Engine** tech stack centralizes and automates time-consuming, repetitive tasks, adding more time back into your team's day. In addition, robust reporting packages provide you with the info you need to make quick business decisions.
