

YOUR BUSINESS **READY.**

COORDINATING A SAFE & PRODUCTIVE RETURN TO WORK.

The COVID-19 health crisis has created unprecedented challenges to workers and businesses around the country. Social distancing procedures, safety precautions, and associate support have now become critical components of every business model.

If you - or your staffing firm - doesn't already have a market re-entry plan, you're already behind your competition. Now's the time to prepare your business for an economy driven by physical distancing.

WE'VE GOT THE EXPERIENCE YOU NEED TO QUICKLY ADAPT.

As one of the largest staffing suppliers of essential businesses nationwide, we have first-hand experience ensuring business continuity. We'll help you reopen your business and provide your employees with a safe return to work. Our value-added business services include:

STAFFING

Whether you need one person—or hundreds—we have the people you need to reopen your business. We staff all industries, and specialize in these:

Light Industrial

Logistics

E-Commerce

Call Center

Business & Professional

Essential Businesses

VIRTUAL RECRUITING

Physical distancing and headcount limits put in place by the CDC have impacted businesses' abilities to hire talent and stay operational.

Our virtual recruiting process allows us to quickly and efficiently source the critical team members you need to become operational.

COMPREHENSIVE SAFETY PROGRAMS.

Our team of OSHA-Certified Safety specialists are the most sought-after in the country.

We help prepare and maintain a safe workplace by offering:

Site Safety Evaluations

Safety Training

Workers' Comp Claim Management

OSHA Electronic Reporting Guidance

ONSITE SUPPORT SERVICES

When you need an all-hands-on-deck approach, we provide onsite associate support, so that you can focus on operations.

24/7 Safety Support
HR Support

Safety Teams
Shift Managers

STRENGTHENING YOUR WORKPLACE, TOGETHER.

We'll share our insights into new safety best practices as you define and implement your back-to-work plan, including:

Cleaning Protocols
Temperature Checks

Mask Requirements
Social Distancing

Hygiene Measures
Sneeze Guards

We can also provide qualified team members to execute these important daily tasks so you can get back to doing what you do best.
