

# FOOD INDUSTRY RECRUITMENT AGENCY

## WE'RE YOUR FOOD & BEVERAGE INDUSTRY RECRUITMENT EXPERTS.

Our associates work with a keen eye for quality and a sense of urgency to quickly deliver your meal-kit, food, and beverage products to your customers.

## RUNNING A SUCCESSFUL MEAL-KIT, FOOD, DRINK, OR VERTICAL FARMING BUSINESS IS A 24/7 OPERATION.

You need a scalable workforce that can quickly flex up or down to meet consumer demand and production goals, all while keeping quality front and center.

### We staff all food production, packaging, and manufacturing roles, including:

Meal Kit Preppers  
Packers and Re-Packers  
Machine Operators  
Equipment Operators  
Quality Assurance  
Bakers and Batchers

Production Line Associates  
Packaging Line Operators  
Food Production Associates  
Packing Production Associates  
Agriculture Techs  
Sanitation and Janitors

Food Technologists  
Maintenance Techs  
Industrial Mechanics  
Production Managers  
Raw Materials Managers

### WE LOVE STAFFING MEAL-KIT COMPANIES!

When it comes to prepping your meal-kit orders, our associates help cut down on food waste, reduce lead time, and optimize your supply chain—and keep your customers' bellies happy in the process.

### IN THE GROCERY INDUSTRY? WE'VE GOT YOU COVERED.

Whether you're a national supermarket chain, a national big-box hypermarket, or the local corner store, we bring people to your job site with the skills to get things done.

## WE'RE PROUD TO SAY THAT OUR ASSOCIATES FOLLOW ALL GOOD MANUFACTURING PRACTICES (GMPs).

That's right. Not only are our associates trained to thrive in fast-paced, quality-controlled environments, but our stringent pre-employment testing and industry-specific orientations ensure they're prepped and ready to follow all Good Manufacturing Practices (GMPs) and adhere to food safety on day one of their assignment.

Here are just a few of the pre-employment tests we administer:

Facility-Specific Safety Protocols  
Allergens and Cross-Contamination  
Safe Behaviors  
Hygiene Practices

HARPC  
*(Hazard Analysis Risk Base Preventative Controls)*  
PPC Policies  
*(Personal Protective Equipment)*

The best part? We'll work closely with you to develop a custom onboarding process to meet your specific needs and all health and safety regulations.
