

THE EMPOWERMENT COLLECTIVE

CONNECTING PEOPLE • RESOURCES • CAREERS

INTEGRITY STAFFING SOLUTIONS AND LANCASTER WORKS ARE PLEASED TO ANNOUNCE A NEW MISSION-DRIVEN WAY TO STAFF YOUR BUSINESS.

Opportunity is everywhere.

It's connecting the dots that's hard—especially for job seekers and businesses experiencing economic and social hardships.

When a community comes together, we believe that connecting the dots is easier, which is why Integrity Staffing and Lancaster Works is pleased to announce a new way to put our communities to work.

INTRODUCING THE EMPOWERMENT COLLECTIVE.

With over 20 collective years supporting the Lancaster area, our shared dedication to advancing careers, companies, and communities has brought us together to provide job seekers and local businesses access to the resources they need to succeed.

At our core, our partnership is a social enterprise venture.

We envision a community in which:

- All residents have access to family-sustaining employment
- Businesses can hire and up-skill reliable, long-term employees—and flourish

Community organizations can close the gap

- between dependency and self-sufficiency
